### “Resurrection” – the act of a dead person coming alive again.

What does the resurrection of Jesus mean to you? What does it mean to me?

**First**, it assures our future resurrection. Because Jesus died and rose again, we will be raised from death like Him. 1 Corinthians 15:20 says, “Christ has been raised from the dead, the first fruits of those who have died.” The word “first fruits” speaks of a sampling, a foretaste, or a glimpse. Jesus is the first fruit. Our resurrected bodies, in some way, will resemble His resurrection body. To what extent, we cannot be certain.

**Second**, the resurrection of Jesus is a proof of future judgment. We live in a world, in which justice is often perverted and neglected. We look at things that happen and say, “How can that be? How could that happen?” The Resurrection means, among other things, that God’s justice will ultimately prevail.

**Third**, the resurrection of Christ gives us power to live the Christian life. Romans 8:11 says, “If the Spirit of Him who raised Jesus from the dead is living in you, He who raised Christ from the dead will also give life to your mortal bodies through His Spirit, who lives in you.” We will not be sinless in this physical body we now live in but with the Spirit’s help we can sin less. The Spirit of God lives in us and can give us the power to live a Christian life.
