“Freedom” – As we celebrate Independence Day on July 4, it’s worth noting the nation was founded upon the idea that God created human beings to be free. The Declaration of Independence states people “are endowed by their Creator with certain unalienable rights, that among these are life, liberty, and the pursuit of happiness.” But what is “liberty,” exactly?

The quest for freedom is a theme found throughout the Bible. In the Garden of Eden, humanity gave up its freedom by choosing to rebel against God. From that time forward, the perfect freedom God created in the Garden of Eden was gone, and the long-term effects were both physical and spiritual.

Today, many people are living in spiritual slavery without even realizing it. They chase false gods of money, success, personal comfort and romantic love – only to realize they still have an emptiness that can’t be filled by any of those things.

God’s answer to our loss of freedom is Jesus. The core message of the Gospel is that Jesus Christ rescues us from the death we deserve for sinning against God. Jesus frees us from the punishment that would be inflicted upon us at the end of our lives for the evil things we’ve thought and done.

While Christians still battle with sin, they are no longer slaves to sin through Jesus. *“I tell you the truth, everyone who sins is a slave to sin...If the Son sets you free, you will be free indeed”* (John 8:34, 36)
