What is Faith Promise?

Faith Promise is a covenant made with God in which the individual promises God that he will trust Him for a designated amount to be given weekly (monthly or yearly) for worldwide evangelism. The local congregation, acting as a forwarding agent for these funds, will be able to plan an efficient and effective use of funds, which pass through their hands for the evangelization of the world.

The Faith Promise is not based on how much money a person knows they can give. Very little faith is required to give based on the certainty of what you already have. Faith is needed, when you go beyond that which you know you can give and into the area of uncertainty. Faith Promise challenges us to venture out in faith for Christ.

Faith Promise requires us to pray. Ask God how much He would have us give and then trust Him for it. Continue to pray regularly and ask God for the amount promised. Then look for Him to provide those funds.

2 Corinthians 9:7-8 says, "Each of you should give what you have decided in your heart to give not reluctantly or under compulsion, for God loves a cheerful giver. And God is able to bless you abundantly, so that in all things, at all times, having all that you need, you will abound in every good work."
